Health Care for All NC Announces Paula Wolf as lobbyist

Raleigh, NC – *Health Care for All NC* announces they have retained Paula A. Wolf, founder of *Paulatics, LLC* as their lobbyist for the 2007-2008 Legislative Session. *Health Care for All NC* works to educate about and advocate for the "Right to Health Care" so that access to appropriate health care on a regular basis is assured for all North Carolinians regardless of age, sex, race/ethnicity, marital or employment status, pre-existing medical condition or geography.

"*Health Care for All NC* citizen volunteers have been pushing this issue with the NC General Assembly," said President Dr. Jonathan B. Kotch. "It is now time to bring in a professional to bring this issue before key state leaders. We know citizens support this and we will do all that we can to make it happen."

Health Care for All NC chose Paula Wolf because of her excellent record of involving large numbers of citizens in the political process and her experience using the Internet to educate and inform both grassroots activists and legislators. "Wolf's experience and commitment to nonprofit causes makes her a natural choice for a group that does not represent special interests," added Dr. Kotch.
