March of Dimes North Carolina Announces Paula Wolf as Lobbyist

Raleigh, NC – March of Dimes North Carolina announces they have retained Paula A. Wolf, founder of *Paulatics, LLC* as their lobbyist for the 2009 Legislative Session. The mission of the March of Dimes is to improve the health of babies by preventing birth defects, premature birth and infant mortality. “Ms. Wolf has a wealth of experience advocating for North Carolina’s children,” said State Director Anna Bess Brown.

March of Dimes North Carolina chose Paula Wolf because of her excellent record of involving large numbers of citizens in the political process and her experience using the internet to educate and inform both grassroots activists and legislators. “Wolf’s commitment to nonprofit causes makes her a natural choice for a group that does not represent special interests,” added Brown.
